

The Hog Award

T. Harinarayana and Alan G. Jones, 2006

T. Harinarayana and Zhao Ghoze, 2008

The Hog Award is an award given to the scientist or student who has his or her name on the greatest number of papers at an EM Induction Workshop, thereby "hogging" the time. This prestigious award (!) was first presented at the 2002 workshop in Santa Fe, New Mexico, USA.

The Hog award has been awarded to the following for their dedication to ensuring that they most certainly are not ignored at a workshop:

Year	Location	Name	No. papers
2002	Santa Fe	Alan Jones	19
2004	Hyderabad	T. Harinarayana	23
2006	El Vendrell	Alan Jones	11
2008	Beijing	Zhao Ghoze	??
