Dear Prof. Harinarayana,

I am delighted to learn that you have been chosen as a part of the Indian delegation to visit Iceland for co-operation in developing geo-thermal energy in India.

This is good news, not only for the National Geophysical Research Institute (NGRI), but for the entire CSIR family as well. We shall shortly be sharing this news with all of CSIR.

I am sure that you will not rest on your laurels but go from strength to strength.

With good wishes for your continuing success

(Samir K. Brahmachari)
